

Who we are!

J's Music Shack previously JR's Music was founded in December 2002 by two life

long friends. The idea was to take this industry to the next level.

The J in J's Music Shack is John Rodriguez and

he has been a DJ and entertainer for over 20 years, playing everything and anything from backyard parties to metropolitan clubs.

The idea behind J's Music Shack is to bring to the host or hostess a professional service company who puts their concerns and wishes first. We pride ourselves on making every event one you'll never forget.

We understand the only reason we are in business is because you the client, and we respect your loyalty and continued patronage over the years. That is why we promise to do everything humanly possible to make your next event a great success.
